

Wernle Youth & Family Treatment Center

Job Description

Job Title: Case Manager
Department: Clinical
Reports to: Lead Case Manager
Status: Full time Non-Exempt

Wernle is a non-profit residential treatment – behavioral health care agency committed to providing quality services to children and their families through caring programs and healing relationships, which are reflective of God's love in Jesus Christ.

Job Summary:

Locates, coordinates and monitors a variety of services and support functions that meet the needs of residents in compliance with COA standards and state, federal, agency and all other applicable rules and regulations.

Essential Duties and Responsibilities:

Services:

- Monitors individual/group behavior interventions to assess needs of residents and unit staff.
- Monitors residents' participation in treatment programs outside of the residential unit and the supporting documentation.
- Researches and obtains resources necessary to implement group components.
- Facilitates skill-building groups designed for unit residents.
- Trains and supports unit staff to ensure their ability to conduct groups and facilitate other program components.
- Facilitates and participates in resident case reviews.
- Writes caseload reports; documents case management notes.
- Communicates with family regarding resident's progress and response to treatment.
- Acts as liaison between resident's family and referring agency.
- Coordinates resident's parent visitations and family therapy sessions.
- Communicates with and provides referring agencies with resident's progress reports.
- Attends court hearings and provides testimony concerning resident progress and response to treatment.
- Works with therapists to ensure sessions take place as scheduled and/or needed and that supporting documentation is completed.
- Coordinates medication management with residential psychiatrist.
- Coordinates education services, including procurement of transcripts and education plans, enrollment, etc.
- Ensures resident's review and signature of intake and discharge paperwork, including an explanation of rights, responsibilities and complaints.
- Coordinates the set up of Medicaid.
- Other services as assigned or needed.

Supports:

- Assists therapists with development, implementation and monitoring of individual treatment plans.
- Participates in unit staff meetings.
- Assists with unit supervision as necessary to maintain program structure and integrity.
- Attends and participates in all clinical meetings, including weekly supervision meetings.
- Ensures provision of clothing for residents as needed.
- Other support functions as assigned or needed.

Other:

- Develops and maintains positive relationship with external customers, families and residents and employees.
